## Madison Navy League to Host Army-Navy Game Social; Raise Funds for Fisher House Wisconsin

MADISON, WI (Nov. 1, 2021) -- Navy League of the United States, Madison Council, is hosting its Annual Army-Navy Game Social and Fundraiser from 1 to 6 p.m., Saturday, December 11, at the Otis Sampson American Legion Post 59, 803 N. Page Street, Stoughton. The event is open to the public and admission is free.

This year, the Madison Council is donating proceeds from the event's 50/50 raffle and basket raffle to Fisher House Wisconsin, a non-profit 501(c)(3) organization that working to build a Fisher House near the William S. Middleton Memorial Veterans Hospital in Madison.

A Fisher House is "a home away from home" for families of patients receiving medical care at major military and VA medical centers. Many families travel from long distances to receive care or to be with their loved ones during medical treatment. Families often face the burden of finding lodging while trying to be by the side of their hospitalized loved one. A Fisher House on the Madison VA campus or within proximity of the medical center would make lodging accommodations available and at no cost to guests.

Come and watch the biggest rivalry in football -- the Navy Midshipmen and the Army Black Knights -- on the big screen in the American Legion Hall. Chili, brats and all the fixings will be available for \$10 per person.

Companies or individuals interested in donating baskets for the raffle should contact Lisa Kromanaker at [kromanaker@madisoncollege.edu](mailto:kromanaker@madisoncollege.edu).

The Navy League of the United States, founded in 1902 with the support of President Theodore Roosevelt, is a nonprofit civilian organization that supports America's sea services: the Navy, Marine Corps, Coast Guard and U.S.-flag Merchant Marine. The Navy League is unique among military-oriented associations in that it is a civilian organization dedicated to the education of our citizens, including our elected officials, and the support of the men and women of the sea services and their families. You need not have served in the military to be a member of the Navy League.
