2018 Annual Meeting

Join your fellow members and learn what Madison Navy League is doing to support the men and women of our sea services – Coast Guard, Marines, Navy and Merchant Marines. It's been a productive year!

- Meet local patriots who share your enthusiasm for the sea services.
- Find out who will be this year's winner of "The Team Spirit and Individual Commitment Award".
- Win a book written by Rick Campbell, a retired submarine Navy commander, who has authored four outstanding military thrillers including *The Trident Deception*. Campbell is the next Tom Clancy.

Our Speaker

Captain Gregory Zacharski

Captain Zacharski is the Commanding Officer and Professor of Naval Science, Naval ROTC, UW-Madison. Commissioned in 1990, he has served at sea in the Atlantic and Pacific Oceans and shore assignments ranging from Commanding Officer of the Navy Recruiting District, New York, to the Joint Staff in the Pentagon.

Captain Zacharski will tell us about the UW NROTC's role in developing our nation's future Navy and Marine leaders and other interesting behind-the-scenes updates.

Madison Navy League annually sponsors the Superior Academic and Leadership Award for each UW-Madison NROTC graduating class.
